Dr. E. A. Clarkson,

Toronto.

Dear Dr. Clarkson:

Pardon my delay in not answering your kind invitation on behalf of Dr. McGillivray at the York Club on Wednesday, the 27th. The reason of my delay is that I think there is another luncheon to be given in one of the University buildings to the Town Planning Congress on Wednesday at one o'clock, and it is possible that I might have to attend it. If I do not need to I shall be glad to accept the invitation of Dr. McGillivray. I wonder whether you could allow this to stand till the beginning of the week. It is asking a good deal of you I know.

With kind regards, I am,

Yours sincerely,

President.
